ABOUT ME

As a fourth-semester Computer Science diploma student, I am eager to find an internship position where I can apply my skills in designing and implementing solutions within the field of computer science. My academic background has provided me with a strong foundation in both theoretical and practical aspects of the discipline. I am highly motivated and possess strong analytical and communication skills. I am excited about contributing to innovative projects and gaining hands-on experience in a dynamic and challenging environment.

BACKGROUND

Nationality : Malaysian
Gender : Female

ACHIEVEMENTS
